"Nano Pint®" 1/8 gpf, EcoVantage®, Ultra Low Consumption, Battery Powered Urinal System

TAG _____

Z5708.205.00 Series

- Zurn One ultra low consumption urinal system designed for optimal performance between Zurn fixture and Zurn flush valve to save water while exceeding industry performance standards.
- 1/8 gallons per flush [0.5 Liters per flush]
- Vitreous china
- Designed to retrofit 4 bolt pattern urinals with no work behind the finished wall required in most installations
- High efficiency washout flushing action
- Over 88% water savings over standard 1.0 gpf [4.0 Lpf] system
- Pressure compensating internal flow regulator
- 3/4" top spud
- 2" I.P.S. outlet flange and rubber gasket with integral trap
- 14" extended rim for handicap compliance when installed at proper height
- Assembled with vandal resistant outlet strainer
- Shipping weight: 28 lbs.

ENGINEERING SPECIFICATION:

□ Z5708.205.00 EcoVantage® Battery Powered High Efficiency Urinal (HEU)- System comes complete with sensor operated, battery powered exposed ZEG6003EV high efficiency flushometer valve and vitreous china urinal. The system is designed to perform to industry standards with as little as 1/8th gallon per flush and retrofits four bolt pattern urinals with no work behind the finished wall required in most installations. Valve is operated by an infrared convergence-type proximity sensor with smart technology, powered by 4 "AA" batteries, furnished with vandal resistant chrome plated metal housing, chloramine resistant internal seals, and reversible cover. Valve features a manual override flush activator button, an internal flow regulator to maintain constant flow rates independent of line pressures and an in-line filter to protect the valve from debris within the water. Complete with high pressure vacuum breaker, one piece hex coupling nut, adjustable tailpiece, spud coupling and flange for top spud connection. Control stop has internal siphon-guard protection, vandal resistant stop cap, sweat solder kit, and a cast wall flange with set screw. Vitreous china urinal is supplied with retrofit bracket, 3/4" top spud, 2" outlet connection, and vandal resistant outlet strainer.
