Our popular portable sink at just the right height for kids – except no electricity required! Encourage hand washing habits and help keep everyone healthy while meeting licensing requirements. The 268" counter height is perfect for children. The foot-operated water pump delivers 2.8 ounces of water per stroke and has a flow rate of up to 1.3 gallons per minute. The tank for the non-potable clean water holds five gallons while the waste water tank holds six gallons. There is a catch tray under the tanks. Mistake-proof connectors means the clean and waste water tanks cannot be inadvertently switched. Plastic sink is approximately 5" deep. Foot pump can be placed inside the cabinet when sink is not being used or when moving the sink. Mobile tank cart and filler hose with funnel available separately in Accessories Kit. KYDZSafe® edges. KYDZStrong® construction. KYDZTuff® finish. Heavy-duty, locking casters for mobility. FDA - Plastic top and non-potable, clean water container are made from FDA approved plastic. ADA - Faucet is ADA compliant. NSF - Faucet, Pump, tubing and all connections are certified to NSF standards. GREENGUARD Gold certified. CARB II & CPSIA compliant..
