Create social distancing and physical separation while allowing excellent visibility with this see-thru table divider. The divider makes it easy to partition a table or worktop into two separate areas. The see-thru acrylic is easy to clean with soap and water and does not require installation to the tabletop - simply move and reposition to the area of need. Divider ships flat. Not only perfect for separating students in educational environments, but also great for restaurants, clients, and employees in commercial areas. KYDZSafe® edges. 1 year warranty. Minimal assembly. See cleaning recommendations at www.jonti-craft.com/cleaning.
