Make the most of your table space while supporting social distancing and physical separation with this see-thru divider. It creates six separated work stations and does not require installation to the tabletop - simply move and reposition to the area of need. The clear acrylic provides excellent visibility and is easy to clean with soap and water. The divider ships flat saving you money and assembles in seconds by fitting the three panels together. The movable black plastic feet provide support. Not only is it perfect for separating students in educational environments, but also great for restaurants, clients, and employees in commercial areas. KYDZSafe® edges. 1 year warranty. Minimal assembly. See cleaning recommendations at [www.jonti-craft.com/cleaning](http://www.jonti-craft.com/cleaning).
