

mediflow[®]

- Minimum noise level (only 65 dB)
- High power, long-lasting units
- Sleek & modern design, ideal for quiet areas such as libraries, museums & office buildings
- Maximum airflow performance (315 CFM per hour)
- Heating element includes a safety thermal cut-off
- Automatic detection of the most adequate temperature 
- Adjustable distance (6" – 10") detection
- ADA recessed KIT available

HIGH TRAFFIC

SMOOTH – SMART – SUPER QUIET – VERY MODERN DESIGN.

- **MEDIFLOW® INTELLIGENT Series.**
With great success, Saniflow has successfully developed THE FIRST INTELLIGENT HAND DRYER based on our innovative "Logic Dry" hand drying system. It senses ambient conditions and automatically selects the optimal heating-level for each drying cycle. It represents a significant advance in the design and features of hand dryers for public washrooms. These models are equipped with new electronic and anti-vandalism protection systems, which make them the most secure dryers of their category.
- **MEDIFLOW® BASIC Series** comes without the thermostatic control system for those bathrooms where the ambient temperature does not change much during the year.

Both options are **ideal for washrooms where the NOISE LEVEL is an issue**, such as museums, libraries, office buildings or movie theaters. These offers the **lowest level of noise in this kind of range**, but it is not ADA compliant. If you want to make it ADA, you will need to include a recessed Kit.

HAND DRYERS

mediflow®

Who is using MEDIFLOW M02A & M03A hand dryers:

- Brooklyn Children's Museum, Brooklyn, NY
- Cinemark Movie Theaters, nationwide
- Ann Arbor Library, Ann Arbor, MI
- Neshoba County Public Library, Philadelphia, MS
- Austin Hill Country Galleria, Bee Cave, TX
- Riverside Pediatric Hospital, Newbury Port, MA
- Century Movie Theaters, nationwide
- FCI Fort Worth, Fort Worth, TX
- World Financial Center, office buildings, NYC, NY
- West Hawaii Civic Center, Hilo, HI
- Abercrombie & Fitch Stores, internationally
- GAP Stores, nationwide
- Denver Pavilions Mall, Denver, CO
- Round Rock Prem Outlet Mall, Round Rock, TX
- Novechento restaurants, Miami, FL
- Brazos Town Hall, Rosenberg, TX
- Queen Mary, University of London, London, UK

- Minimum noise levels
- Steel one piece cover, 5/64" thick (M02A) or stainless steel one-piece cover, 1/16" thick.(M02AC, M02ACS)
- The technology "LOGIC DRY" automatically regulates the temperature of the air output between four possible levels, depending on the ambient temperature, managing electricity consumption to offer significant energy savings.
- Selective detection of fixed targets and system of automatic disconnection after 120 seconds of continuous use.
- IR detection sensor adjustable by a potentiometer. (6 - 10").
- Cover fixed to the base by means of 2 vandal-proof lock screws and lock with special mediflow key wrench.
- Fire resistant plastic PPE + HIPS base and fan scroll, with Ø 4 5/6" (8 mm) holes for wall mounting.
- It includes silent-blocks to damper mechanical vibrations.
- Aluminum asymmetrical double inlet fan wheel.
- Motor, universal with brushes, 4,500 rpm, A class, incorporating a self-resetting safety thermal cut-off.
- Available in stock at 110V 50/60 Hz.
- UL & CUL comply with UL499 norm and electrical safety for the EU.

saniflow corp.

SANIFLOW Corp.

The company behind the technology

A Track Record of Excellence

Saniflow Hand Dryer Corp. has established itself as one of North America's leading brands of eco-friendly hand-drying solutions. We offer **the largest selection of fast, stylish, and energy-efficient products**, designed to fit every type of washroom facility.

Our company works with design professionals, contractors, owners, and facility managers to ensure that every project gets the right dryers for its needs. **Our products are in use in highly recognizable office buildings, entertainment centers, shopping facilities, schools and universities throughout North America.**

Saniflow hand dryers benefit from **40 years of manufacturing experience** and expertise by our parent company, **Mediclinics S.A., the largest exporter of hand dryers in the world** and a leader in the European and global markets. Dryers produced in our manufacturing facility in Barcelona, Spain, **are used in over 120 countries worldwide**. Quality is assured through every step of the manufacturing process, and each dryer is tested and approved before shipping.

Commitment to Our Customers

We stand behind our products, and consider every sale as the beginning of a customer service relationship. Under our **Quick Ship Program**, applicable to all distribution channels, all products listed in our catalog ship within 36 hours (under normal circumstances) on purchase orders from distributors that have established credit terms with Saniflow. Our team of customer satisfaction professionals is available to answer any product questions and **offer full technical support**.

Responsible Manufacturing

We are equally committed to sustainability in operations. We use a **combination of new and recycled materials**, many of them also recyclable, and have instituted advanced waste stream separation in manufacturing.

LOW TRAFFIC

This model is suitable for installation in areas with low traffic.

MEDIUM TRAFFIC

This model is suitable for installation in areas with medium traffic.

HIGH TRAFFIC

This model is suitable for installation in areas with high traffic.

ELECTRICAL PROTECTION

This model incorporates elements that ensure electrical insulation.

LOW ELECTRICITY CONSUMPTION

Eco-efficient hand dryer with low electricity consumption/high energy savings.

VALUE FOR MONEY

This model offers excellent value for money.

VANDAL-PROOF

This model incorporates elements of features that make it difficult or impossible to damage or remove.

NUTS AND BOLTS INCLUDED

This model includes the nuts and bolts necessary for it to be installed on masonry walls.

LOCKED WITH KEY

BIOCOTE

Anti-microbe treatment for DUALFLOW PLUS hand dryers.

ADA STANDARDS

Model which, when installed correctly, complies with the Accessibility Guidelines for Buildings and Facilities ADAAG.

5 YEARS LIMITED WARRANTY

10 YEARS LIMITED WARRANTY
